IN RE: Letter of Appeal — CC Docket Nos. 96-45 and 97-21

Dear Sir or Madam:

Please accept this letter of appeal regarding the Administrator's Decision on Appeal-Funding Year 2001-2002 dated June 26, 2001, and received by Taft ISD on July 2, 2001.

The letter specifically stated that the reason for Full Denial was that the original request for appeal of the Form 471 Certification was dated March 13, 2001 and did not meet the January 18th, 2001 deadline for Form 471 Certification. May we be allowed to explain the mix up on this Round 4 submission.

Taft I.S.D. successfully submitted the Round 4 – Form 471 application online and submitted the Certification page with an original signature dated January 16, 2001. (*Attached copy of original*) On March 13, 2001, we received a letter dated March 8, 2001 announcing that our submission of Round 4 – Form 471 had been denied because a certification page with a signature had not been submitted along with the other documentation. The peculiar thing about this is that we always make copies of every document that we mail with our submissions and we had a copy of the original Certification page.

Anyway, in effort to assure we received Round 4 funding, Taft I.S.D. submitted a Letter of Appeal to this denial of funding and submitted another Certification page along with the other 471 documents. The error that was made was that we dated this Certification page March 13, 2001 instead of January 16, 2001 as had been done on the original submission. Therefore, a denial of funding was received.

Taft I.S.D. is submitting this appeal to the denial of funding. We strongly feel there has been an error by both entities. Attached you will find copies of the Certification pages that were submitted and hopefully this will help clarify these errors. Taft I.S.D. strongly depends on E-Rate funding, therefore full denial of this funding would definitely be a detriment to the students of this rural farming community.

We hope that this correspondence is sufficient to receive approval for Round 4 – E Rate funding.

Below is the name of the district contact person if you should have any further questions regarding this appeal.

IN RE: Letter of Appeal

Dear Sir:

Please accept this letter of appeal regarding the Form 471 Certification-Rejection Letter received by Taft I.S.D. on March 13, 2001.

The letter specifically stated that the Form 471 Certification submitted refers to a Form 471 filed on-line (electronically) that is incomplete. Attached is a corrected certification form along with Item 21 Attachments.

Prior to downloading Block 6 of the 471, we attempted to access our electronically filed 471. Our district contact person, Emiliano Alaniz, Jr., typed in the 471 Application # and Security code to access the incomplete 471 but received this message: "Application is already Completed, Certified or Canceled." He then called the Client Service Bureau for further assistance. They instructed him that all the district had to do was re-submit the Certification form along with a letter of appeal.

We hope that this correspondence is sufficient to continue the ERATE Round 4, 471 approval process.
